

SEND Support and Development – Talking Mats

Date: 01st May 2024

Time: 12:00 – 13:00

Location: Atlantic Centre, Newquay

Facilitator: Dr Wendy Thomas

Talking Mats is an inclusive approach to supporting students of all ages to express their ideas, thoughts, feelings and aspirations. Using low tech and high tech approaches, talking mats can ensure that young people have their voices heard and they can be more involved in their own goals and outcomes. Talking mats can also be used to improve communication and assist with exploring sensitive issues such as safeguarding.

This CPD workshop will share the purpose, types of application and you will have the chance to see a range of talking mats. This additional session builds on the CPD workshop; Person Centred Approaches for Enabling Student Voice held in the Autumn Term '23.
